

IMMANUEL LUTHERAN COLLEGE & IMMANUEL LUTHERAN SEMINARY

501 Grover Road Eau Claire, Wisconsin 54701

**Academic Combined Catalog
Fall 2021 – Spring 2022**

Note to readers:

This issue of the *college and seminary catalog* applies to the **academic year (AY) of 2021-2022**. It does not include specific policies and other information pertaining to the high school department, which are treated in a separate publication (see high school catalog).

Content on the following pages is subject to change as determined by the ILC administration or the Board of Regents. **Recent changes** of note are in the staff of Immanuel Lutheran College (art teacher, choir director, dormitory supervisors) and increases in tuition. See pages 3-4 and the college handbook.

A few **online college courses** are offered at ILC each year. In AY 2021-2022 the main courses offered for credit are **Religion 101-102 and Religion 306-307**. More information is available at www.ilc.edu, including a list of courses available for online auditing.

The seminary catalog has been updated with fuller documentation pertaining to the **Limited Public Ministry program**, which has been revised as a three-year program.

CLC Students attending UW-Eau Claire, or Chippewa Valley Technical College, or other colleges in the local area may **live in ILC dorms** if enrolled at ILC for one college course of at least three credits, which can be an available online course. The course must be taken for credit. Fees include room and board, per credit tuition, as well as registration, parking, and activity fees.

The last revision of this catalog was made on June 30, 2021.

IMMANUEL LUTHERAN COLLEGE AND SEMINARY

EAU CLAIRE, WISCONSIN

School Seal: In the very center is the gold lamp, a symbol of pure knowledge from the Word of God. The lamp is in the center of the red heart, which is ruled by the Word. The heart is fixed in the red and white rose of Christ, righteousness through His blood. The rose overshadows the black cross of our sins, for which He died. All this rests upon the shield of faith, tested pure silver. The lance directs our praise for these gifts of grace to their source, the Triune God—three gold rings encircling the seal.

ORGANIZATION AND HISTORY

Immanuel Lutheran College was organized in 1959. It was born of need — a need that arose when, because of numerous withdrawals from previous synodical affiliations, a considerable number of students of high school, college, and seminary levels found themselves without a church-affiliated school to which they could turn. It was born of bold vision — founded by Immanuel Lutheran Church of Mankato, Minnesota. The congregation, on the basis of donated labors and materials, took the necessary steps to remodel and furnish a vacant school building. The building was offered for use by a private association of Immanuel laymen. The congregation also called the first faculty. Provisions were made whereby college students took their secular subjects at Mankato State University and were given supplementary instruction in religion and other courses, particularly for the teacher-training and pre-theological departments. These supplementary courses were taught by a number of part-time instructors. As time passed, enrollment grew, facilities expanded, and more faculty members were called.

In 1961 ownership of Immanuel Lutheran College was transferred to the newly organized Church of the Lutheran Confession (CLC). In January of 1963 the Church of the Lutheran Confession resolved to purchase a permanent campus for Immanuel Lutheran College in Eau Claire, Wisconsin. On September 1 of that year dedication services were held, and the school was officially opened on its new campus. Since then, by the grace of God, Immanuel Lutheran College has grown and prospered—by increased enrollment, the addition of new buildings, and the calling of more faculty members.

CAMPUS

The beautiful campus of Immanuel Lutheran College (ILC), located on the south side of Eau Claire, Wisconsin, comprises approximately 80 acres. Once a stately mansion, Ingram Hall overlooks Lowes Creek and the valley below. It contains the seminary department and seminary library in the east wing; college classrooms are located in the west wing. The second floor contains meeting rooms and offices. The administration offices, the CLC Book House, some faculty offices, classrooms, a physics lab, a biology lab, and a computer lab are located in the Academic Center (AC). The AC accommodates most high school classes and some college classes. Male students live in North Hall. Female students live in South Hall. College men and women may live in separated sections of West Hall. The Commons is located adjacent to and serving as the lobby area for the Field House (gym). It contains the kitchen and cafeteria, student lounge, canteen, and the offices of the dean of students and the assistant to the dean. In the northwest corner of the campus are the homes for most of the ILC professors.

FINANCES

BASIC EXPENSES AND FEES

SEMESTER FEE SCHEDULE

(Amounts are subject to change. There are two semesters in a school year. *Amounts below are per semester.*)

	<u>College</u>	<u>Seminary</u>
Tuition	\$3000.00*	\$2150.00
(Add for non-CLC students)	(\$2000.00)	(Not applicable)
Room and Board	\$1750.00	\$1750.00
Activity Fee	\$100.00	\$100.00
Parking Fee	\$50.00	\$50.00

* College department tuition charges as given above are for full-time students (12 or more credits). Charges for part-time students are 1/12 of full tuition per credit hour.

Registration charges are billed on a semester basis; other charges are billed as they occur. There is a maximum of ten monthly payments (August-May).

Each student account must have a zero balance by the end of May. If the account has a past due balance at that time, diplomas and transcripts will be placed on hold until the account is paid in full.

A student account that has a past due balance at the end of the school year must be paid in full before the beginning of the next school year in order for that student to be enrolled.

Interest will be charged on delinquent payments. Any account more than two months in arrears may result in the student's enrollment being terminated. All fees are subject to change without notice. If a student withdraws during the school year, charges for tuition and room and board will be prorated.

Some college textbooks for pre-theology and education students will need to be purchased as directed by the instructors. These include Greek, Hebrew, and certain religion books. Other college textbooks are rented by the students.

ADDITIONAL FEES

First-time students (high school or college) pay a \$50.00 registration fee, which is not refundable.

A piano/organ fee of \$150 per semester is charged if a student takes piano or organ as an elective.

All graduating students are required to pay a \$40.00 fee to cover the costs of a diploma, cap, and gown.

Upon a student's request the ILC registrar will send a copy of the student's transcript where directed. The charge is \$5.00 per copy after the first, which is free.

College courses may be audited, subject to the consent of the academic dean and the instructor. Online courses may be audited per availability. There is no extra tuition charge for full-time students who wish to audit a course. For part-time students the charge for auditing is 30% of the normal per-credit charge.

High school students wishing to take a college course for credit will be charged \$25.00 per credit. There is no reduction in the high school tuition.

FINANCIAL ASSISTANCE

ILC STUDENT AID FUND

Five types of financial assistance are available only to CLC students through the ILC Student Aid Fund (SAF).

1. Student loans are available to full-time students in all departments (high school, college, and seminary).
2. Student grants are for full-time college students who are preparing for the teaching or preaching ministry or are in the Associate of Arts program or enrolled in the seminary.
3. Scholarships based on academic achievement at ILC are awarded to students in all departments.
4. Multi-student tuition grants are available to families with two or more students enrolled in the high school or college departments. Grants (up to 50% of tuition) are based on financial need.
5. Limited work-study (campus employment) is available to full-time students in all departments with the exception of high school freshmen. Average earnings are less than \$600.

** Student Aid brochures and application forms are available from the ILC business office.

Applications are due by May 1 for the following school year.

VETERANS' EDUCATIONAL BENEFITS

The Department of Veterans Affairs (VA) requires that Immanuel Lutheran College (ILC) meet certain standards and procedures in connection with those students who receive veterans' benefits while enrolled in the college or the seminary departments. If you are such a student, you should know that we intend to meet these requirements fully. Briefly summarized, they are stated below.

ILC will certify your enrollment to VA at the beginning of each semester.

ILC will keep an accurate record of your attendance in all classes in order to supply VA with any information which it may request relative to your participation in these classes. ILC will also inform VA if you withdraw from the school, along with the date of such withdrawal. We will also keep in your file a record of program changes, dropped/added classes, etc. Periodically VA reviews each participating school's record-keeping.

The following procedures will apply regarding academic records. ILC will keep a permanent record of your academic progress and will provide you with a report on such progress at the end of each semester. Information on the grading system, minimum grades considered satisfactory, and other academic matters that can be found in the college or seminary portion of this catalog under the section Academic Policies. ILC will inform VA of any course that you have failed, since this can have an effect on the amount of your benefits, as well as on which courses you can take again.

Your academic standing while pursuing a degree program in the college or seminary is defined in the pertinent Academic Policies section of this catalog. ILC will inform VA if you are suspended from the degree program in which you are enrolled, and your educational benefits will be terminated at that point. Evidence of unsatisfactory progress in your degree program occurs within seven calendar days of the announced end of the semester. During that time your grades must be reported to the ILC registrar. Within fourteen days of the announced end of the semester the academic dean will send a letter of notification of unsatisfactory progress and suspension from your degree program

to the United States Department of Veteran Affairs. You will also receive a copy of this letter. The end of the semester (first and second) is indicated on the Academic Calendar page published at the end of the catalog. You should understand that veterans' benefits are available to you only if you are successfully pursuing one of the approved seminary programs (reverend ministry or limited public ministry) or one of the four approved college programs—Associate of Arts, Bachelor of Science in Education, Bachelor of Arts in Pre-Theological Studies, or Bachelor of Arts in Religious Studies.

The school's policy and regulations relating to student conduct and the conditions of dismissal for unsatisfactory conduct are given in the Student Life section of this catalog. ILC will inform VA promptly of such dismissal and the date thereof.

Policies regarding the payment of fees are stated in the Basic Expenses and Fees section of this catalog. The following policies for the refunding of fees are in effect for students who are receiving educational benefits administered by VA: ***“The non-refundable portion of registration fees will not exceed \$10.00 All other charges to the student, including tuition, books, and supplies issued by the school, registration fees in excess of \$10.00, and other fees will not exceed the pro-rata portion of total charges that the length of the completed portion of the courses bears to the total length of the course”*** (Cf. Code of Federal Regulations, Title 38, Part 21.4255.).

The academic dean maintains files relative to students receiving veterans' benefits, and he stands ready to advise and assist veterans in receiving benefits for which they may be eligible.

STUDENT LIFE

CHRISTIAN STANDARDS

CONDUCT

Immanuel Lutheran College and Seminary, owned and operated by the CLC, comprise a Christian institution that expects all of the students to conduct themselves as Christian young adults who have learned to know Jesus Christ as their Lord and Savior. Students are expected to live their lives in accordance with God's Word and are therefore asked to comply with all school regulations. Only such regulations are established as are necessary to prevent or correct improper conduct and to promote good order.

SUPERVISION

The dean of students has the responsibility for the general supervision of all college students. The seminary dean oversees the department of the seminary students.

DISMISSAL

The administration reserves the right to dismiss any student whenever in its judgment the welfare of the school or of the student seems to demand such action. Every effort will be made to correct students on the basis of Scripture, but the school is not able to undertake the problems of disciplining students who show themselves to be out of sympathy with its purpose.

SERVICES

BANKING

For the convenience and protection of the students, ILC operates a student bank in which a student's money can be deposited and withdrawn as needed.

BOOK HOUSE

The CLC Book House offers students an assortment of textbooks, religious books, greeting cards, and other supplies.

CANTEEN

ILC operates a canteen in which snack foods are available for purchase.

CHAPEL

Morning chapel services are held each school day, and all students are expected to attend. Evening chapel services are held Sunday through Thursday for all dormitory students.

COMMONS

The ILC Commons provides cafeteria, canteen, and indoor recreational areas for students.

COMPUTER SERVICES

Two computer labs in the Academic Center provide network and filtered Internet access to all students. Similar computer service and internet access are also available in Ingram Hall and the dormitories.

COUNSELING

Counseling services are available to our students for personal, academic, and career-related matters. The dean of students is available to help students with their personal concerns, and so is the school counsellor. The academic dean and the dean of the seminary are available to help students with their academic and career-related concerns.

FOOD SERVICES

Regular meals are provided in the Commons dining hall each day.

HEALTH SERVICES

Eau Claire is served by three hospitals and numerous medical clinics. Included in the activity fee for each student is a charge for supplemental accident insurance so as to obtain immediate medical attention in the event of an emergency due to illness or an accident on campus.

HOUSING

Dormitory rooms equipped with beds, dressers, and desks are provided. Every effort will be made to provide for the comfort of the students. Students on campus must provide their own sheets, mattress pads, blankets, pillows, towels, study lamps, and personal articles. Laundry facilities are available in North Hall and South Hall. Resident male students in West Hall may use the laundry facilities located in the Field House (between the locker rooms).

Immanuel Lutheran College provides accommodations for its college students in the residence halls on campus. Except for those who are married, who are living with their parents or guardians, or who are veterans of the United States Armed Forces, all college students under the age of 20 are expected to live in ILC-operated residence halls when such accommodations are available. College students may live off campus if they have previously attended Immanuel Lutheran High School for at least one year. If a student did not attend ILHS for at least one year, then he or she must live in an ILC dorm for the first year of ILC attendance unless the student is 20 or older prior to attending ILC.

LIBRARIES

The student library located in the Academic Center serves as a multi-purpose space with adjoining multi-media rooms and computer services access. It holds a very limited book collection that includes religious works in these main areas: Bible versions, translation tools, and commentaries; Christian doctrine and apologetics; Luther and Lutheranism; and church history. *Upon request college students may be given fob access to the library after hours.*

The seminary library has a theological collection of over 5000 volumes, many of which are unique in the Eau Claire area, and receives over 60 periodicals. College students may access the seminary library with permission from the seminary librarian.

Students have access also to other libraries: University of Wisconsin-Eau Claire, Chippewa Valley Technical College, and the Eau Claire public library.

MOTOR VEHICLES

Parking is available for students who own motor vehicles. See the student handbook regarding where student parking is allowed and where it is restricted. Registration and a parking fee (\$50 per semester) are required.

STUDENT HANDBOOK

A handbook containing the information and regulations pertaining to student life is distributed and reviewed during college orientation at the beginning of the fall semester.

USE OF FACILITIES

All Immanuel functions are directly related to our confession and worship of Christ and thus governed entirely by Holy Scripture. On that basis ILC facilities are not to be used for anything inconsistent with our scriptural confession. On that same basis the ILC campus is not available as a place of public accommodation.

WORSHIP SERVICES

Worship services are provided for the students at Messiah Lutheran Church in Eau Claire. Bus service is provided.

ACTIVITIES

DRAMA

Opportunities in drama are available in the fall musical and the spring play. Student directors, actors, artists, and technicians enjoy opportunities to develop and practice skills.

INTRAMURAL & CLUB ACTIVITIES

Flag football and co-ed volleyball are offered as intramural sports. Robotics is offered as a club activity.

MUSIC

Each spring the ILC tour choir travels to some of our CLC congregations in order to provide concerts of sacred music. The student body chorus performs at end of the first and second semesters. The pep band plays at varsity games in the Field House. The concert band performs at selected times during the school year.

PUBLICATIONS

The *Flash* is the student newspaper. *Crossroads* (formerly the *Beacon*) is the student literary magazine. The *Lance* is the school yearbook.

IMMANUEL LUTHERAN COLLEGE

AIMS AND OBJECTIVES

EDUCATIONAL PHILOSOPHY

The central goal of Immanuel Lutheran College is to impart growth in the grace and knowledge of our Lord and Savior, Jesus Christ. One specific aim of the college and its degree programs is to prepare future leaders for Christ's Church on earth. In general, we strive to nurture an enlightened membership for our congregations, helping young men and women to be well-versed in Scripture and its application to life.

PROGRAMS

Baccalaureate programs are available for those students who desire to serve the Church of the Lutheran Confession as parochial elementary teachers or as pastors. These programs involve four years of intensive and specialized work.

A baccalaureate program is also available in religious studies. This program provides a four-year liberal arts degree with an emphasis on religion. It prepares students for a life of service to the Lord Jesus and to the congregations of which they are members. This degree may also enable students to enter postgraduate work in some fields.

A two-year liberal arts program (Associate of Arts) is available for those students who wish to further their Christian education beyond the high school years.

ILC also welcomes students who wish to enroll in selective courses without pursuing a formal degree program.

ADMISSION

ACADEMIC REQUIREMENT

Minimum requirement for ILC college enrollment is either a high school diploma or a GED certificate.

EQUAL OPPORTUNITY

All applicants for admission to Immanuel Lutheran College are considered on an individual basis. The school does not discriminate on the basis of gender, race, color, age, national origin, or handicap.

ENROLLMENT

Students who wish to apply for admission into the college department are asked to follow these procedures:

1. Submit the registration form (available from the ILC Office, or the ILC website [www.ilc.edu/ilcresources.htm], or from a pastor of the CLC) along with the \$50.00 registration fee. Enrollments are accepted up to the start of a semester, but course availability is enhanced if application is made by July 1 for the first semester and November 1 for the second semester.
2. Request that transcripts be sent to Immanuel Lutheran College for high school work and for credits completed at other colleges.
3. If you have not been enrolled in Immanuel Lutheran High School, complete a physical history form and submit it upon enrollment. Also submit a pastoral recommendation form completed by your CLC pastor.
4. If possible, take the ACT test prior to enrolling at Immanuel Lutheran College and have the results sent to the academic dean prior to registration day. If you have already taken the SAT, this will be accepted in place of the ACT. Students who have not taken either testing program prior to enrollment may be required to take the ACT during their first year at Immanuel.
5. There are special admission policies for non-CLC students, which are in document form and made available upon request.

TRANSFER CREDITS

Immanuel Lutheran College will accept credits from other colleges and universities, provided that the courses to be transferred carry a grade of C- or higher and that they are applicable to degree programs at ILC.

Whereas every attempt will be made to accommodate transfer students, we cannot guarantee that all the needed courses will be available for all students. The academic dean in consultation with the registrar will handle each case separately.

In order to receive an A.A. degree at ILC, students must take the final semester of course work in residence. In order to receive a B.S. or B.A. degree, students must take the final 30 credits in residence.

TUITION AND FEES

For tuition costs, other fees applied to students, and information regarding financial assistance, see the previous sections "Basic Expenses and Fees" and "Financial Assistance."

ACADEMIC POLICIES

SCHOOL YEAR

The school year is divided into two semesters of 17 weeks and 18 weeks, with the first semester ending prior to the Christmas recess.

CREDITS

The unit of credit is the semester hour, defined as one class hour per week for one semester. Accordingly, a lecture course that meets three periods per week carries three semester hours of credit. Exceptions to this include physical education courses and choir, which require two class periods per week for each semester hour of credit. Band, which meets three periods per week, carries one credit hour per semester.

Piano and organ, which involve a weekly lesson and daily practice periods, each carry one credit per semester.

CREDIT-HOUR LOAD

An average semester load for a full-time student is 16 to 18 credit hours. Full tuition is charged for 12 or more credits.

To gain the most from each course, the student should spend an average of two hours of preparation for each hour in class. Quiet time may be available for studying in the library on school nights. Time may need to be reserved on weekends for additional preparation.

Students are required to attend all classes on their schedules. Vacations are to be arranged so that no credit-carrying classes or tests are missed.

GRADING SYSTEM

A system of letter grades is used for all credit-carrying courses except Choir, for which a Pass/Fail system is employed. The letter grades are as follows:

A,	A-	(A = Excellent)	
B+,	B,	B-	(B = Good)
C+,	C,	C-	(C = Fair)
D+,	D,	D-	(D = Poor)
	F	(F = Failure)	

ACADEMIC STANDING

A grade-point system that grants 4 grade points per credit for an A is used to determine the quality of a student's work. A plus or minus after a letter grade raises or lowers the grade points by .33 grade point. For example:

A	4.000 grade points per credit
A-	3.667 grade points per credit
B+	3.333 grade points per credit
B	3.000 grade points per credit, etc.

No grade points are given for an incomplete (I) or a failure (F).

The grade-point average (GPA) is the ratio of the number of grade points earned to the number of credits taken. Credits transferred from other colleges and universities are not included in the GPA.

Class status is based upon the total number of credits earned at ILC and accepted by transfer from other institutions, accumulating as follows:

Freshman:	0 to 31 credits
Sophomore:	32 to 63 credits
Junior:	64 to 95 credits
Senior:	96 or more credits

The *minimum GPAs for graduation* from the degree programs are as follows:

- 2.000 for the Associate of Arts degree;
- 2.500 for the B.S (Education), B.A. (Pre-theology), and B.A. (Religious Studies) degrees.

Good academic standing: The academic standing of the student is determined at the end of each semester in residence. Those students whose cumulative GPA at ILC is at or above the level required for graduation are in good academic standing.

Academic warning: Students whose cumulative GPA at the end of any semester falls below the standards required for graduation will receive academic warning and will be offered academic counseling for improving their grades. They may continue their enrollment in the program if they are able to meet these minimum academic levels while pursuing their degree:

Associate of Arts degree:

- Cumulative GPA of 1.755 upon the completion of 32 semester credits
- Cumulative GPA of 2.000 upon the completion of 48 semester credits

Bachelor of Science, Bachelor of Arts Pre-theology, and Bachelor of Arts Religious Studies degrees:

- Cumulative GPA of 1.755 upon the completion of 32 semester credits

Cumulative GPA of 2.000 upon the completion of 64 semester credits

Cumulative GPA of 2.255 upon the completion of 96 credits

Note: The cumulative GPA is based only upon courses taken at ILC. The number of semester credits completed, however, includes also those credits accepted by transfer from other institutions that are applicable to the degree.

Academic probation and suspension: A student whose cumulative GPA falls below the aforementioned levels (indented above) will be placed immediately on academic probation. If the situation continues for an additional semester, the student will be suspended from the degree program in which he or she is enrolled. Reentry into the degree program may be permitted after the passage of one semester and upon application by the student and approval of the academic dean and the registrar. Such approval will take into consideration any factors that may have a bearing upon the student's ability to improve his or her grades after readmission.

Students who are not pursuing a degree program at ILC are not required to meet minimum academic levels. They will, however, be offered academic counseling if their grade average in any semester falls below 1.000.

An Associate of Arts graduate with a grade point average of 3.500 or above will graduate with "Honors."

The honor categories for the B.S.E., B.A.P.S., and B.A.R.S. graduates are as follows:

- 3.500 - 3.699 *Cum Laude* (With Honor)
- 3.700 - 3.899 *Magna cum Laude* (With High Honor)
- 3.900 - 4.000 *Summa cum Laude* (With Highest Honor)

Only such students are eligible for graduation honors who have earned at Immanuel Lutheran College at least half of the credits required for their degree and who have been in residence during the two semesters prior to their graduation.

Recommendation for being considered a candidate for the CLC teaching ministry is based upon the attainment of the Bachelor of Science degree and upon the qualifications set forth by Holy Scripture in 1 Corinthians 4:1-2, 1 Timothy 3:1-7, and Titus 1:5-9.

DEGREE PROGRAM CHANGES

Whereas every attempt will be made to accommodate students who are changing their degree programs, ILC cannot guarantee that all the needed courses will be available for all students in a timely way. The academic dean in consultation with the registrar will handle each case separately.

INCOMPLETES / FAILURES

An incomplete (I) is given when the course work has been satisfactory but for acceptable reasons the student was unable to complete all work by the end of the semester. An incomplete must ordinarily be removed within two calendar weeks after the end of a semester, or it will be permanently recorded as an F.

Required courses with a grade of F must be repeated successfully unless the requirement has been satisfied by the successful completion of an approved substitute. When a course is repeated successfully, a "NC" (no credit) will replace the F on the transcript for the unsuccessful course attempt.

ACADEMIC HANDBOOK

Detailed information about the academic policies of the college department is contained in the *Student Handbook* that is distributed to all students during orientation and is available on our web site (<http://www.ilc.edu/resources/>).

ACADEMIC PROGRAMS

ASSOCIATE OF ARTS

The Associate of Arts program involves two years of training in the liberal arts. It serves not only those individuals who complete their college education at the end of two years, but also those who transfer to other institutions of higher learning. By taking their first two years at ILC, such students receive the benefit of a Christ-centered education in the critical early years of their college career. Moreover, the smaller class sizes at ILC promote student involvement and help to enhance learning.

The University of Wisconsin-Eau Claire and the University of Wisconsin-Stout have agreed to accept the transfer of up to 72 credits for each student at ILC that are applicable to their degree programs. Other colleges and universities have their own policies and procedures with respect to accepting ILC's credits. Some students have been able to transfer readily many of their ILC credits to schools elsewhere in Wisconsin and in other states. The academic dean at ILC stands ready to advise students with regard to the selection of courses and the transferring of credits.

From time to time students have taken religion and other courses at ILC without committing themselves to a degree program. Such undeclared students are always welcome, whether they take one course or several.

The requirements for the Associate of Arts degree are as follows:

1. Credits in Required Courses Minimum: 55

English 12	English 101-102 (3, 3)
	English 203-204 (3, 3)

BACHELOR OF SCIENCE IN EDUCATION

The future of a church body depends largely upon the proper Christian training of its children. Teachers in Lutheran elementary schools can perform an important work by assisting parents and congregations in providing such training.

The Bachelor of Science program provides complete training for those men and women who prepare for teaching in the elementary schools of the Church of the Lutheran Confession. The students take courses in general subject areas and in professional education.

Students enrolled in the education program have opportunities to experience teaching in actual elementary classrooms. Before their senior year, education students spend twenty hours observing in selected schools to become acquainted with the way children act in the school setting and to observe professional teachers in action. Education 403 and 404 are internship opportunities during which students teach in schools operated by congregations of the Church of the Lutheran Confession. Education 403 takes place prior to and during the first four weeks of the first semester. Education 404 takes place during the first nine weeks of the second semester.

Students who enroll in the Bachelor of Science program should have completed the following high school mathematics courses or their equivalent: Algebra I, Algebra II, and Geometry. Background in Chemistry and Physics is desirable. Anyone who wishes to enter this program but who has not met the mathematics requirement should contact the academic dean for further information.

All students in the Bachelor of Science program are required to take a minimum of two semesters of instruction in Piano or Organ. Those who do not meet the requirements of Keyboard I and II after these two semesters shall normally be required to take up to two additional semesters or one year of certified instruction in another instrument to complete the requirement.

BACHELOR OF ARTS IN PRE-THEOLOGICAL STUDIES

Until the end of time there will be a need for pastors to serve as shepherds of Christian congregations. Those who have considered such a calling should be encouraged by the words of Holy Scripture: "This is a faithful saying: If a man desires the position of a bishop, he desires a good work" (1 Tim. 3:1).

The four-year Bachelor of Arts in Pre-theological Studies program (BAPS) prepares male students for entrance into Immanuel Lutheran Seminary. The courses offered provide them with a broad liberal-arts education that has emphasis on religion and obtaining a working knowledge of Greek and Hebrew, the languages in which the Bible was written.

Students with special interests in specific subject areas, such as social studies, mathematics, and science, may pursue these interests through elective courses.

Students intending to enter the Bachelor of Arts in Pre-theological Studies program are encouraged to take a foreign language during their high school years. Spanish is offered as part of the curriculum at Immanuel Lutheran High School. German is presently available under directed study at ILHS.

The requirements for the Bachelor of Arts in Pre-theological Studies degree are as follows:

***** ENTERING IMMANUEL LUTHERAN SEMINARY WITHOUT AN ILC DEGREE (BAPS)**

In addition to communicant membership in a CLC congregation, the academic requirement for seminary enrollment is either graduation from the Bachelor of Arts in Pre-theological Studies program (BAPS) of Immanuel Lutheran College (see above), or graduation from a four-year college (B.A. or B.S. degree) with additional ILC course work done mainly in the areas of Greek, Hebrew, and religion. The required courses listed below shall ordinarily be taken from Immanuel Lutheran College (in residence or online) and can be completed in two consecutive school years.

- Greek 101-102 and Greek 203-204*
- Hebrew 101-102 and Hebrew 203-204*
- Greek 305-306 or Greek 407-408*
- Religion 101-102 and Religion 203-204*
- Religion 305-306 and Religion 407-408*
- Religion Methods 326*
- English 207 (or transfer equivalent from another college)*

If registering with a four-year degree already obtained but still needing the courses above, be sure to check the *Pre-Seminary* blank on the college registration form.

BACHELOR OF ARTS IN RELIGIOUS STUDIES

A deeper knowledge and understanding of God’s Word should be the steadfast goal of all Christians. The primary purpose of the Bachelor of Arts in Religious Studies program is to provide a well-rounded education in the study of Holy Scripture. The program is designed to accommodate both male and female students interested in a liberal arts degree with particular emphasis on religion. Available electives will allow students to pursue additional areas of personal interest, including language study. This degree also enables students to enter postgraduate work in some fields at other institutions of higher learning. By taking their first four years at ILC, such students receive the benefit of a Christ-centered education as part of their college training.

The requirements for the Bachelor of Arts in Religious Studies degree are as follows:

1. Credits in Required Courses Minimum: 88

Specific courses that are required are in boldface. In addition to these, select as many of the courses listed under each academic field of study that are needed to meet the credits required in that field as listed after the category name (e.g., English . . . 15).

POST-GRADUATE STUDIES AT IMMANUEL LUTHERAN SEMINARY

AIMS AND OBJECTIVES

Immanuel Lutheran Seminary has as its sole aim and purpose the training of men for the pastoral ministry in the Church of the Lutheran Confession (CLC) or a CLC-affiliated church body, subject to no limitations except those which Scripture itself establishes. Since Scripture teaches that women are not to serve in the office of pastor, the seminary does not enroll women in its academic programs.

It is not the intent of this seminary to be a theological institution for persons seeking only to obtain a post-graduate degree in theology or who merely wish to take courses in theology. Seminary training to become a pastor follows the Candidate for Reverend Ministry program (CRM). Seminary training to become a pastoral assistant or assistant pastor follows the Limited Public Ministry program (LPM). A separate section on the LPM program begins on p. 25.

The doctrinal position of the seminary is based on the canonical writings of the Old and New Testaments as the verbally inspired Word of God and also on an unqualified (*quia*) subscription to the Lutheran Confessions of the *Book of Concord* as presenting the true teachings of that Word.

Through its academic and internship programs and especially by the blessing of the Holy Spirit, Immanuel Lutheran Seminary seeks to prepare its students to be witnesses of Christ, preachers and teachers of His Word, and shepherds of His people. To that end the seminary strives to impart to its students the following:

- High regard for and devotion to their own spiritual growth in Christ;
- Prayerful study of Scripture texts also in their original languages;
- Faithful commitment to upholding and defending all the truths of Scripture;
- Knowledge and skill in applying the whole counsel of God, especially Law and Gospel, to the needs of people;
- Christian love, concern, and zeal for souls.

ADMISSION

ENTRANCE REQUIREMENTS

In addition to communicant membership in a CLC congregation, the academic requirement for seminary enrollment in the CRM program is either graduation from the B.A.P.S. program of Immanuel Lutheran College or graduation from a four-year college (B.A. or B.S. degree) with additional course work done mainly in the areas of Greek, Hebrew, and religion. The required courses listed below shall ordinarily be taken from Immanuel Lutheran College (in residence or online) and can be completed in two consecutive school years.

Greek 101-102 and Greek 203-203

Hebrew 101-102 and Hebrew 203-204

Greek 305-306 or Greek 407-408

Religion 101-102 (OT) and Religion 203-204 (NT)

Religion 305-306 (Symbolics)

Religion 407-408 (Dogmatics)

Education Methods 326 (Religion teaching methods)
English 207 (Public speaking) or transfer equivalent from another college.

See the catalog of Immanuel Lutheran College for pertinent course descriptions and credit hours. If registering with a four-year degree already obtained but still needing the courses above, check the *Pre-Seminary* blank on the ILC college registration form.

ENROLLMENT

All incoming students should state their intent of entering the seminary by completing the seminary registration form (available from the seminary dean) and submitting it to the ILC Office by June 15.

All applicants must be able to verify successful completion of prerequisite college work as noted in the Entrance Requirements above. This is ordinarily done through the receipt of or transfer of final student transcripts.

All applications for seminary enrollment are to be approved by the seminary admissions committee, whose considerations will include a recommendation either from the ILC Committee for the Evaluation of Pre-theological Students or from the applicant's CLC pastor. In some cases an interview with the applicant may be requested. The seminary admissions committee will ordinarily consist of the ILC president, the dean of the seminary, and the academic dean of the college.

TUITION AND FEES

For tuition costs, room and board, other fees, and information regarding financial assistance, see the previous sections *Basic Expenses and Fees* and *Financial Assistance* in this combined college/seminary catalog.

ACADEMIC POLICIES

SCHOOL YEAR

The seminary school year is divided into two semesters of 16 weeks and 18 weeks, with the first semester ending prior to the Christmas recess. In Academic Year 2021-2022 the courses taken are in Cycle 2 (see pp. 23-24).

CRM students entering the seminary begin their studies with a four-week orientation program at the beginning of the first semester (a week after the opening of ILHS and ILC).

Students who have completed their first year are assigned to an internship under the supervision of a pastor in a congregation of the Church of the Lutheran Confession. Students who have completed their second year of seminary are assigned to another internship at a different CLC church. Each of these internships is to be six weeks in length, typically beginning in mid-August and extending until the end of September.

CREDITS

The unit of credit at the seminary level is the semester hour, defined as one class hour per week for one semester (e.g., a seminary course that meets two periods per week for the semester carries two semester hours of credit).

No electives are currently offered in the seminary curriculum. All seminary courses in the three-year cycle are required for the CRM (*Candidate for Reverend Ministry*) degree and ordinarily must be taken in residence (i.e., not online) for credit by each student enrolled. Online courses may be taken only under special circumstances with the approval of the seminary dean and course instructor(s).

AUDITING CLASSES

Enrollment into the seminary is not required to audit seminary classes. Seminary classes may be audited under special circumstances. The student auditing a course will not be given credit for that course, nor will he be required to complete the work assigned in that course. Seminary courses may be audited by those seeking to enter the CLC pastoral ministry via colloquy, or by those enrolled in the Limited Public Ministry program, or by others who request to audit a particular course. All requests to audit seminary courses must be approved by the seminary dean and the course instructor. Tuition (30% of the normal course fee) will be charged for each course audited.

COURSE WORK REQUIREMENTS

Enrolled students are expected to attend all classes scheduled for them in the three-year curriculum. They must also fulfill the requirements of each course and receive a passing grade in each course in order to advance to the next level of the seminary.

ACADEMIC RECORDS

All seminary instructors assign letter grades to students taking their classes for credit. More information about such course grades is available in the seminary handbook.

Course grades in the seminary serve limited purposes in assessing the student's faithfulness in doing assigned work and in providing a record of the student's academic progress during his seminary career. While the seminary

does not formally issue report cards to the students enrolled, each student has the right to request a copy of his transcript for personal use, for prospective employment, for insurance discounts, or for future graduate study at other academic institutions. The academic records of each enrolled student, including cumulative GPA, are also used in determining and awarding scholarships.

GRADUATION REQUIREMENTS

The requirements for graduation from the seminary with a CRM degree are the satisfactory completion of the prescribed course of study and also agreement with the doctrinal position described under Aims and Objectives.

PLACEMENT IN THE PASTORAL MINISTRY OF THE CLC

Recommendation of a graduate as a candidate for the pastoral ministry (CRM) or as a candidate for the limited public ministry (LPM) of the Church of the Lutheran Confession is based upon the student's agreement with the confessional position of this church body, the student's stated willingness to receive a call into its pastoral ministry, and the student's suitability for the public ministry according to the qualifications set forth by Holy Scripture in 1 Corinthians 4:1-2, 1 Timothy 3:1-7, and Titus 1:5-9.

Upon a graduate's recommendation given by the seminary faculty members, Immanuel Lutheran Seminary presents each qualifying graduate to the CLC Call Committee for Graduates during the fourth quarter of the student's final year.

ACADEMIC PROGRAMS

The prescribed course of instruction for students enrolled in the CRM program extends over three consecutive school years (six semesters). The student's first year of enrollment is referred to as *junior*, his second year as *middler*, and his third year as *senior*. Course descriptions begin on page 28.

JUNIOR ORIENTATION

Junior orientation extends over a period of four weeks and includes a weekly schedule as follows:

Introduction to Theological Study 500	Two class hours
Dogmatics: Prolegomena 500	Five class hours
Biblical Hermeneutics 501	Five class hours
Introduction to O. T. Exegesis 500	Five class hours
Homiletics I 501	Two class hours

PASTORAL INTERNSHIPS I (550) and II (560)

The six-week internships (vicaring) are assigned and scheduled as the beginning of the middler and senior years. These begin prior to the seminary school year and conclude by the end of Junior Orientation. A report of the student's internship is submitted by the supervising CLC pastor and forms the basis for determining a pass/fail grade.

CYCLE 1: PROGRAM FOR 2023-2024

THE LIMITED PUBLIC MINISTRY PROGRAM

The *Limited Public Ministry* program (LPM) is available only for male non-traditional students who are communicant members of the Church of the Lutheran Confession (CLC). The LPM program exists only for the purpose of preparing the applicants to be *assistant pastors* at most, not to be theologically trained candidates eligible for a regular call into the pastoral ministry. A working knowledge of biblical Greek and Hebrew, therefore, is not required to enter this program. Those seeking to become candidates for a regular call into the pastoral ministry must enroll in the CRM program according to all the requirements described above.

The *Limited Public Ministry* program requires three years of course work, two of which must be taken in residence. The requirements of the three-year program are given on the following pages. Application for enrollment is to be submitted by June 15. The applicant should check the LPM blank on the seminary registration form, which is available from the seminary dean.

All tuition charges for Limited Public Ministry students will be calculated at the seminary rate if the student is enrolled full-time in the program. This rate applies also to any college courses taken as part of the Limited Public Ministry program. Students in both the CRM and LPM programs will be eligible for grants and other forms of student aid if enrolled full-time.

Both the CRM and LPM programs are approved for VA Benefits and also approved by the Department of Homeland Security for the enrollment of foreign students.

In 1974 the CLC formally adopted the Limited Public Ministry for “experienced laymen who have indicated the desire to be of greater assistance in the ministry of the church” (1974 Convention *Proceedings* 36). This action was taken in recognition that some men “may have the opportunity for early retirement from their secular career and are convinced that they have both zeal and energies to combine with their experience toward a fruitful service in the public ministry” (ibid.). The Limited Public Ministry program was put in place for older men who met the personal qualifications (see below) to be trained in a shorter amount of time and then to serve only in a limited capacity, not as a candidate for regular pastoral ministry.

From the outset the area of service into which Limited Public Ministry candidates are to be placed has been restricted and specified as “the Limited Public Ministry.” The Limited Public Ministry is “that ministry which is limited by the candidate’s training and/or the call of the congregation. It may, for example, include vacancy work, phases of pastoral work, mission calls, institutional work, etc. The call would be limited not only by the candidate’s gifts and preparation, but is limited in point of responsibility, for he will carry out his work under the guidance of a supervising pastor” (1974 *Proceedings* 36, emphasis added).

Considering the various types of ministry that one trained for the Limited Public Ministry could carry out today, some possibilities include:

- Serving as a vacancy or interim pastor under the supervision of the conference visitor;
- Serving as a resident pastor whose call would have limitations similar to that of a vicar (supervised closely by a neighboring pastor or the conference visitor);
- Serving as an assistant pastor (or pastoral assistant) to one or more CLC congregations;
- Serving as a mission helper, part-time overseas missionary, or outreach evangelist to a congregation.

The type and extent of work to be done by the LPM candidate is determined by the call extended to him and should not be assumed as part-time only. The training given to LPM students is intended to prepare them for full-time work in the limited public ministry, with the understanding that his work is under the supervision of another CLC pastor.

In the interest of preserving the Limited Public Ministry program according to its original intent, while doing so in recognition of the needs and limitations that currently exist at ILC, a revised procedure has been detailed in the following sections. The initial 1974 program has thus been changed in its curriculum and length of instruction.

The LPM program is established for men who fit the description of a non-traditional student (older or second career) and desire to study for the limited public ministry. See below for a minimum age requirement.

Personal Qualifications

It is necessary that the applicant not only “desire the office of a bishop,” but that he have the qualifications laid down in 1 Timothy 3:1-7 and Titus 1:5-9. He should be mindful of the need to strive for the following personal characteristics in connection with his public ministry:

Sincerity	Titus 2:7
Selflessness	Philippians 3:8

Humility	Philippians 2:3-8
Dignity	Titus 2:7
Cheerfulness	Philippians 4:4
Purity	1 Timothy 4:12
Tact	2 Samuel 12:1ff
Patience	2 Timothy 2:24
Faithfulness	1 Corinthians 4:2
Accountability	Hebrews 13:17

Procedure

Those wishing to enter the Limited Public Ministry program must be approximately 35 years of age and should submit a completed enrollment application to the ILC Office by June 15. This application needs to be accompanied by two detailed letters of recommendation: one from the *applicant's pastor* and one from the pertinent *CLC conference visitor*. The application of enrollment will be approved by the seminary admissions committee.

Upon acceptance into the Limited Public Ministry program at ILC, the enrolled person will ordinarily take the courses outlined below in residence at ILC and complete two internships in participating CLC congregations. The required courses are those already offered to BA (Pre-theological) college students and seminary students within the college and seminary departments. It is recommended that *Limited Public Ministry students complete the required courses and internships in consecutive years. The final two years need to be taken in residence.*

If requested by the student, agreed upon by his pastor or some other qualified individual (retired pastor or professor), and approved by the seminary dean, the college and seminary courses listed below may be taken in a correspondence-course format, with the pastor or qualified individual serving as the tutor/instructor/facilitator and the ILC course instructor serving in a supervisory role. It is possible that a number of the college and seminary courses below can be taken online for credit. Online college courses as part of the LPM program are arranged through the academic dean. Online seminary courses as part of the LPM program are arranged through the seminary dean.

Academic Requirements

To be considered as a candidate for the Limited Public Ministry (LPM) in the CLC, the enrolled student shall have successfully completed all of the following courses. Other *college* and *seminary* courses listed in the catalog may be taken for credit or audited by LPM students as time and other factors allow. The required classes in college and seminary are all listed within a Cycle 1-3 sequence as shown on page 27. From year to year the order of the cycles taken by an enrolling student would change. Inquirers should contact the appropriate dean (academic dean for college, seminary dean for seminary) about the availability of these courses in an online or distance-learning format during a given academic year.

1. *Religion 101-102*: College survey courses of the Old Testament – 6 credits in two consecutive semesters; see ILC College catalog for course description (3, 3).
2. *Religion 203-204*: College survey courses of the New Testament – 6 credits in two consecutive semesters; see ILC College catalog for course description (3, 3).
3. *History 251*: College survey course of Church History – 3 credits in one fall semester; see ILC College catalog for course description (3, 0).
4. *Religion 305-306*: College Symbolics covering the Creeds and the Lutheran Confessions in two consecutive semesters of 6 credits; see ILC College catalog for course description (3, 3).
5. *Greek 101-102*: College introductory course on Biblical Greek – 5 credits for both semesters; see college catalog for course description (5, 5).
6. * *Methods 326*: College religion methods course to acquire basic methods of instruction for teaching children – 3 credits in one fall semester; see college catalog for course description (3, 0).
7. *Christian Education 512, 514, 516*: Seminary courses on the pastor's role as teacher of children and adults – 6 credits in three spring semesters; see seminary catalog for course description (0, 2) (0, 2) (0, 2).
8. *Biblical Hermeneutics 501*: Seminary course on the methods of Biblical interpretation – 2 credits in one fall semester; see seminary catalog for course description (2, 0).

9. All Homiletics courses: Seminary courses on preparing and presenting sermons – LPM students will take all homiletics courses (*Homiletics I 501-502* Junior, *Homiletics II 551-552* Middler, *Preaching 511-516* All) offered during their time of enrollment; see seminary catalog for course description (2, 2) (1, 1) (3, 3).
10. Pastoral Theology 511-514: Seminary courses on pastoral practice and responsibilities in the care of souls; also the study of *Evangelism 521* (outreach and mission work) and *Pastoral Counseling 522* – LPM students will take all such courses that are available to them during their time of enrollment; see seminary catalog for course description of Pastoral Theology, Evangelism, and Pastoral Counseling (2, 2) (2, 2) (3, 2).
11. Liturgics 511-514: Seminary courses on church music, worship, liturgy – LPM students will take all Liturgics courses available to them during their time of enrollment (1, 1) (1, 1).
12. Gospels I-III 521-526: Seminary courses on the harmony and content of the four Gospels, taken in chronological order, with cursory exegesis attempted throughout (2, 2) (2, 2) (2, 2).
13. Dogmatics 500, 511-516: Prolegomena, Dogmatics I, II, and III. (1, 0) (3, 3) (3, 3) (3, 3).
14. OT and NT Isagogics 513, 515, 524, 526: Only the Bible-survey seminary isagogics courses (2, 2) (2, 2)
15. Pastoral Internships 550 and 560: Arranged by the seminary dean to include two internships in separate congregations, adding up to 12 weeks ordinarily, and to be supervised by two host CLC pastors with their evaluations given in written reports. The scheduling of these six-week internships will retain flexibility and not necessarily coincide with the CRM program internships taking place during the first session in the fall semester (due to college courses that the LPM vicar may need to take). The pastoral internships must be completed successfully for the student to be recommended as a candidate for the limited public ministry in the CLC.

When CRM and LPM students begin their seminary instruction, the courses taken in their first year of enrollment could be in Cycle 1, Cycle 2, or Cycle 3. The actual order of the cycles will not pose academic issues for the students. For illustration purposes the three-year LPM program below assumes a Cycle 1 starting point.

LIMITED PUBLIC MINISTRY (Assistant Pastor) program in a complete cycling of courses

CYCLE 1: Credit hours for each semester are indicated in parentheses; e.g., (2, 2) would mean 2 credits first semester and 2 credits second semester. Seminary courses during junior orientation are noted with *

Pastoral Internships I 550 and II 560 (6 and 6)

Any college courses marked with * could be waived for a student if the additional course causes an overload in a given cycle, such as in the first year of enrollment.

Total Credits required ordinarily to complete Limited Public Ministry program **122**

It is highly recommended that in the second and third years of enrollment, LPM students audit additional seminary courses and/or biblical language courses, in consultation with the seminary dean on specific courses to audit. See the seminary catalog for more information, including the academic expectations pertaining to the auditing of seminary courses.

Eligibility for Graduation and for a Call

During their time of enrollment LPM students will go through the same evaluation protocols that apply to pre-theology students and CRM seminary students. A recommendation from the seminary faculty is required to proceed to the last step below.

When the LPM student has completed all required college courses, all required seminary courses, and the pastoral internships, and has received the graduation recommendation specified in the seminary catalog, his eligibility as a candidate for the limited public ministry in the Church of the Lutheran Confession will be determined by a committee composed of the CLC president, the ILC president, the dean of the seminary, and the second pastoral internship supervising pastor.

COURSE DESCRIPTIONS

Total credit hours for the following courses in the three-year CRM program are indicated in parentheses.

EXEGETICAL THEOLOGY

P. Naumann, S. Sippert

Introduction to Old Testament Exegesis 500 (Junior Orientation course)

Selections from the book of Jonah are employed to exercise the application of exegetical principles and to give new students preliminary practice in working with the Hebrew text (1).

Biblical Hermeneutics 501

Beginning in Junior Orientation and extending to the end of the first semester, the principles and methods of biblical interpretation, as applied to both Testaments, are taught to first-year students (2).

Biblical Introduction (Isagogics)

Isagogics courses focus on the general background and overall content of the 66 books of the Bible and also include a study of their canonicity and textual integrity. Courses cycle over three years in the two areas of Old Testament *Isagogics 511, 513, 515* (6 - first semester) and New Testament *Isagogics 522, 524, 526* (6 - second semester).

Biblical Interpretation (Exegesis)

Exegesis courses focus on the interpretation of Scripture texts in their original languages. During a three-year cycle course areas include Old Testament Exegesis of texts in Genesis, Psalms, and Isaiah (18); and New Testament exegesis of Ephesians, Galatians, and Romans 1-6 (12). *Exegesis 511-512* (Genesis), *Exegesis 513-514* (Psalms), and *Exegesis 515-516* (Isaiah) meet three times a week. *Exegesis 531-532* (Ephesians), *Exegesis 533-534* (Galatians), and *Exegesis 535-536* (Romans) meet two times a week.

Harmony and Synopsis of the Gospels I-III (Exegesis 521-526)

During a three-year cycle the life and ministry of Christ as recorded in the four Gospels is studied chronologically, with some attention given to cursory exegesis of the Greek text and to the harmonizing of parallel narratives (12).

SYSTEMATIC (DOCTRINAL) THEOLOGY

J. Pfeiffer, J. Ude

Dogmatics I-III 511-616

The systematic study of all Christian doctrines taught in Scripture is covered in a three-year cycle, using the class notes of J. P. Meyer as a guide (18). Included as part of the junior orientation is the four-week course Dogmatics—Prolegomena 500 (1).

Symbolics I-II 511-514

The study of the confessional writings of the Lutheran Church is covered in four semesters (8).

Symbolics 522 Comparative Religions

The study of comparative religions is covered in one semester (2).

HISTORICAL THEOLOGY

P. Naumann

History of the Ancient Church (Ch. History 511-512)

Two semesters of study are devoted to the history of Christianity from the birth of Christ through the Council of Nicea in AD 325 (6).

History of the Middle Ages and the Reformation (Ch. History 513-514)

Two semesters of study are devoted to the history of Christianity as it progressed from the post-Nicene period through the Reformation and to the publication of the *Book of Concord* in AD 1580 (6).

Modern Church History (Ch. History 515-516)

Two semesters of study are devoted to the history of Christianity from the Counter-Reformation to the present, including the developments in American Lutheranism leading to the formation of the Church of the Lutheran Confession (6).

PRACTICAL THEOLOGY

P. Naumann, D. Schaller, J. Ude

Introduction to Theological Studies 500 (Junior Orientation course)

A general orientation is given to incoming students, with some focus given to the branches of theology and the various subjects taught and suggested methods for students to derive maximum benefit from their studies (0.5).

Homiletics

The principles and practice of preaching are formally studied in the junior and middler years under the courses named *Homiletics I* 501-502 (4) and *Homiletics II* 551-552 (2). All students, including seniors, participate in the student preaching class (course name *Preaching* 511-516), which meets once a week (6).

Liturgics I-II 511-514

In a formal study of Christian worship and especially the pastor's role as worship leader, course material focuses on hymnody, psalmody, and the liturgy (4).

Christian Education 512, 514, and 516

Three second-semester courses are devoted to the principles and problems of conducting religious instruction in the pastoral ministry. While recognizing every opportunity to teach and apply the Word in the routine of pastoral work, special attention is given to confirmation instruction, both of young people and adults (6).

Evangelism 521

One semester is devoted to the study of mission perspectives from the Old and New Testaments, with attention given also to past and current mission philosophies and to methods of promoting and conducting evangelism in the congregation and synod (3).

Pastoral Theology I-II 511-514

The principles of biblical pastoral practice applied to present-day conditions are studied in a two-year cycle that totals four semesters (8).

Pastoral Counseling 522

In addition to a study of Scriptures to apply in specific situations, focus is given to the objectives, problems, and methods of pastoral counseling (2).

Pastoral Internship 550 and 560

In the setting of a CLC congregation, extended opportunities are given for the student to gain hands-on pastoral experience by observing the host pastor in doing tasks of ministry and by performing similar tasks under the pastor's supervision and evaluation. The CRM and LPM programs both require two internships, one at the beginning of the middler year and one at the beginning of the senior year.
