Student Aid Fund (SAF) Application Information
2022- 2023 School Year
Immanuel Lutheran College and Seminary

February 2022

Dear Student,

This letter and enclosures provide you with application information related to the Student Aid Fund (SAF) that is available to you as a student attending Immanuel Lutheran College (ILC) for the 2022-2023 school year. The SAF provides five types of financial aid for ILC students: Student Loans, Work Study (Campus Jobs), Program-related Grants, Scholarships, and Family Multi-Student Grants.

The enclosed packet includes an informational brochure and application form. If you want SAF assistance, you should **complete the application form each academic year** and return it to the Immanuel Business Office **by May 1, 2022**. Written notice of SAF awards will be made by June 30, 2022.

It should be noted that the tuition and fees indicated on the application represent estimated amounts for the 2022 - 2023 ILC school year and may be subject to change.

The college maximum requested student loan amount is 70% of a student's total annual billings after any scholarships, grants and multi-student discount have been applied. A student account must be in good standing (not delinquent) in order to receive additional loans.

An SAF application is required if you want a student loan, to apply for work-study, or a family multi-student grant. It is not necessary to apply for program-related grants or scholarships.

The Student Aid Fund exists to provide financial assistance for Immanuel students. We welcome the opportunity to assist you in your financial planning and in considering various options for the funding of costs associated with your attendance at Immanuel. If you have questions or need assistance, please contact me at (715) 836-6622 or jimsandeen@gmail.com.

Immanuel – God is truly with us,

James E. Sandeen

Business Manager
